

<p>Pay Definitions: Note these are definitions for pay items that may show up in any of the Eassons Transportation Group pay grids. The pay grid determines whether you are eligible for these pay items or not. This grid does not indicate that you are entitled to these pay items it just defines them should they be on your applicable pay grid.</p>	<p>Pay Grid - Rev 24 (August 1, 2019)</p>

Drop pay is not paid for moving empty trailers between linehaul trips.</p>
